June 30, 2000

### **BUREAU CIRCULAR NO. 1410**

To All Members of the Bureau:

Re: **OCTOBER 1, 2000 "F" CLASSIFICATION FILING**

Please be informed that the Bureau has submitted a rating value filing for Pennsylvania "F"-Classifications with a proposed effective date of October 1, 2000. That filing, Proposal C-340, proposes an overall rate decrease of 10.07 percent. Tables of current and proposed October 1, 2000 rates are printed on the reverse of this circular for reference.

The United States Harborworkers' Compensation Coverage Percentage, currently 99.5 percent, is proposed to change to 78.7 percent effective October 1, 2000. The tax multiplier applicable to F-Classification business is proposed to change from 1.2684 to 1.2469.

Policies issued with effective dates on and after October 1, 2000 must be qualified as carrying tentative rates and the Pending Rate Change Endorsement is to be used for this purpose. Note that such policies issued at current rates or on a "to be determined" basis must be endorsed subsequently with the new carrier rates.

The filing will be available in the Bureau's web site ([www.pcrb.com](http://www.pcrb.com)) within ten days of the distribution of this circular.

Timothy L. Wisecarver  
President
