BUREAU CIRCULAR NO. 1450

To All Members of the Bureau:

Re: APRIL 1, 2003 LOSS COST FILING

Please be informed that the Bureau has submitted a filing of Pennsylvania loss costs, related rating values and Manual rule changes with a proposed **effective date of April 1, 2003**. That filing, Proposal C-345, proposed an overall average loss cost decrease of 2.41 percent.

Policies issued with effective dates on and after April 1, 2003 must be qualified as carrying tentative rates and the Pending Rate Change Endorsement is to be used for this purpose. Note that such policies issued at current rates or on a "to be determined" basis must be endorsed subsequently with the new carrier rates.

In addition to April 1, 2003 loss costs, related rating values and Manual rule changes, the Bureau's filing also proposes an Employer Assessment Factor used to impose, collect and remit employer assessments consistent with provisions of Act 57 of 1997. It is proposed that the factor be revised from the currently approved value of 0.0337 to 0.0280 effective April 1, 2003.

Filing Package

The Bureau's filing packages for the April 1, 2001 and April 1, 2002 loss cost revisions are available on the Bureau's website for review and reference purposes. Those filings will be retained on the website for reference and comparison to the current filing proposal, and the April 1, 2003 loss cost filing package will also be made available on the Bureau website at www.pcrb.com. These filing packages will be found in the "Filings" section of the website. Installation of the April 1, 2003 filing package is expected to be complete by December 6, 2002.

Members and other interested parties are encouraged to use the website to access any and all parts of the filing package for informational purposes. If hard copy of the filing package is requested, the Bureau will provide a single copy per requesting entity (i.e., carrier group, consulting company, etc.) subject to the following considerations:

Price per copy: \$300 for Bureau members

\$450 for non-members

All parties are advised that requests for hard copy of the filing package will be held for up to two weeks to allow efficient processes in producing the required copies.

Insurance Department Review of Filing

The Insurance Department has assigned review of the April 1, 2003 Loss Cost Filing to Mr. Ken Creighton. Mr. Creighton may be reached at the mailing address, phone number and e-mail address shown below for purposes of making comments or asking questions about the status of the filing.

> Mr. Ken Creighton, ACAS, MAAA **Actuarial Review Division** Commonwealth of Pennsylvania Insurance Department 1311 Strawberry Square Harrisburg, PA 17120 (717) 787-3991 e mail: kcreighton@state.pa.us

Carrier Filings

With respect to carrier filing procedures and requirements the Insurance Department has again provided the following statement for distribution to all Bureau members:

NO ACTION is required of carriers intending to apply their current loss cost multiplier to the Bureau's new loss costs. A carrier wishing to change their loss cost multiplier will be required to make a filing with the Department. Act 44 requires all carriers to adopt Bureau loss costs upon approval by the Department. Otherwise, they must file their own loss costs which are subject to prior approval.

Carriers wishing to clarify the status of their current multipliers and/or to confirm filing requirements which will be applicable to their companies as prerequisites for the implementation of any specified schedule(s) of loss costs are strongly encouraged to consult with the Pennsylvania Insurance Department in that regard. For that purpose please contact Ms. Brenna Murphy at the mailing address, phone number and e-mail address shown below:

Act 86-1986

Act 86-1986 included a section requiring notice of increase in premium. The full details of that Act were covered in Bureau Circular No. 1156 dated September 12, 1986.

Pennsylvania law requires any policy of insurance not written on a retrospective rating plan and covering commercial property or casualty risks in Pennsylvania to provide for not less than 30 days' notice of the intent to increase the insured's renewal premium. Endorsement WC 37 06 03 should be used for purposes of providing the required notices to affected policyholders.

Attached hereto is a table which includes the current Bureau April 1, 2002 loss costs, the **PROPOSED** April 1, 2003 loss costs and the proposed percentage changes in loss cost by risk classification. All loss costs in the attached table include loss-based assessments, Merit Rating Plan credit offsets and proposed Certified Safety Committee credit offsets. Construction classification loss costs also include Pennsylvania Construction Classification Premium Adjustment Program (PCCPAP) loadings. Four classifications' proposed loss costs include, for the first time, surcharges to recognize the increased potential for Hepatitis C claims under the provisions of H.B. 1633. The classifications so affected are 807, Ambulance Service – Non-Volunteer, 985, Policemen/Firemen, 993, Volunteer Ambulance Corps, and 994, Volunteer Fire Companies.

Please be reminded that the April 1, 2003 PROPOSED loss costs, if applicable, will be adjusted by individual carriers' loss cost multiplier(s) to determine rates and premiums. Further, carriers may base their rates on loss costs that differ from those approved pursuant to a Bureau filing(s) for some or all classifications. Therefore, in your use of the attached table it may not be appropriate simply to compare the April 1, 2002 and PROPOSED April 1, 2003 loss costs in determining whether an Act 86 notice may be indicated.

Update Procedures

In complying with prevailing statutory requirements pertaining to rating value filings, the Bureau is keenly mindful of the importance of timely submission, adjudication and implementation of revised rating values. Toward the objective of providing advance notice of at least 60 days to insurers and employers of forthcoming changes in rating values, the Bureau submitted its April 1, 2003 Loss Cost Filing on November 26, 2002. While the Bureau will continue to work in cooperation with the Pennsylvania Insurance Department to accomplish an expeditious review of the filing and a timely determination about revisions in rating values effective April 1, 2003, the Bureau cannot preordain the time at which a final determination will be made on any filing. In order to assist members in understanding what has occurred and what remains to be done toward approval of Proposal C-345, the Bureau will be providing interim circular updates regarding the status of this filing. In recognition of the notice and public comment period that

Bureau Circular No. 1450 Page 4

will be applicable to this filing, the first circular updating the status of this proposal will be issued on January 10, 2003. It is expected that this update and similar subsequent announcements, if needed, will keep all members informed about the status of this filing and avoid uncertainty among members as to whether an action may have occurred with respect to the filing that escaped notice in their company.
